I am gay.

I did not choose it.

## It Chose Me

for some Higher Purpose

---

You are not alone  
You are surrounded by a whole company  
of people ready to embrace you

You are not less than  
You are equal to, you are enough

You are not rejected  
You are accepted and affirmed

You are not perverted  
You are perfect, just as you are

You are not an abomination  
You are whole

You are not disqualified  
You are uniquely spiritually attuned

You are not broken  
You are beautiful

You do not need to "pray away the gay"  
You only need to become more of who you  
really are

You are not an outcast  
You will draw others in

You have been lied to  
You will know your truth

Your Truth Will Set You Free

Elysium Counseling offers Individual and Group Support for anyone struggling to come to terms with his or her sexual identity or sexual orientation, especially those suffering from religious teachings telling them they are not okay. If you are such a one, here is your invitation to See Yourself with New Eyes. If you are a friend to someone struggling in this way, please pass this invitation on to them.
